HALL OF FAME AWARDS

WELCOME!

What a terrific season and an exciting state tournament!

Congratulations to each of the teams that made the *great eight*... and special congratulations to Fenwick High School boys, they have won four in a row and five of six state IHSA championships. Not to be out done, Mother McAuley girls edged out the Fenwick girls to win the IHSA women's title and in doing so won their third title in the past six years.

Please join me in thanking John Martin, Stevenson High School Athletic Director and State Tournament Director, for all of his efforts in producing another well run state tournament.

In addition, a huge thank you must go to our dedicated team of referees, lead by Perry Korbakis, for their tireless efforts throughout the season.

I hope you continue to help us support the growth of water polo in Illinois. Water polo has shown solid progress over the last few years. It was nice to see several collegiate water polo coaches watching and pursuing several of our student athletes. We still need everyone's support to get even more kids exposed to our sport and more schools adding water polo to their list of sports offered. It would also be great to get more park districts or community centers interested, in doing so we would be strengthening our sports foundation.

If you know of anyone or any school/community center interested in water polo, I encourage you to make an effort to encourage them to participate, or contact me and we will quickly connect with them.

Lastly, I would like to take time to thank some of our special donors, Richard Marsh with Midwest water polo, Stevenson High School, West Suburban water polo club, Naperville North High School and the Apostles water polo club; without their generous contributions it would have been more difficult for IWP to get some of our camps, clinics and even our website (illinoiswaterpolo.net) going.

On behalf of the Illinois Water Polo Board, Congratulations to all honorees!

Christopher C. Tomscheck
IWP *Chairman*
